

Milan, February 27th, 2020

Jelena Bogdan has been working with Maka Language Consulting since 2016 as a translator.

She is an exemplary collaborator. Under our employ not only did she deliver timely and accurate translations on a professional level, but also she was able to build and create positive relationships with those she worked with on a personal level. She was willing and motivated and achieved positive results both for the company and for herself.

I believe that Jelena would be an asset to any company.

For any further information, do not hesitate to contact us.
